

Quick and Easy ACV/DCV Test

For AC Voltage test 70-250V and DC Voltage test 12.36.55V

40Cr Probe

Clear LED display

Pen clip for easy carry

Induction Test

One button to do contact voltage test

LCD Display w/ backlight

Easy to use even in dark area

LED indicator

Visual alarm provides more user convenience

UL94V-0 Case

Ensures user safety

Circuit Continuity Test

Easy to do non-contact voltage detection

LED Illumination

Offers great visibility under dark condition
